3 POLICY RECOMMENDATIONS TO LOCALISE THE SDGs

National governments and EU institutions should better recognise the crucial role of towns and regions, and their associations

2

Multi-level governance should be strengthened all along the SDG cycle: awareness raising, strategy design, implementation, monitoring and reporting

European towns and regions should exchange practices, enhance capacities, develop a common language with citizens and non-European partners

The Council of European Municipalities and Regions brings together 100,000 local and regional governments through 60 national associations from 41 European countries.
